Farm Market Hours:

May - November

Brief Description:

- ❖ Eagle Mills Cider Co., located on 87 acres of pristine Adirondack beauty in Broadalbin, NY, includes a working waterwheel powered cider mill, nostalgic covered bridge, mill pond, water falls, country bakery, gift shop,

snack bar, gem stone mining operation, dino dig for kids, and a petting goat junction.

Major Crops: Apples

Available Wholesale: Cider, Donuts, Pies, Fudge and our own Homemade Ice Cream

Tours: Our tours are offered to schools, senior citizen groups, tour operators, scouts, civic and community organizations. Tours include 60 acres of forest preserve, cider mill, gem mining, full operation of waterwheel powered ice cream mill, wagon rides through the forest.

Agri-Tourism: waterwheel powered cider mill and/or ice cream mill in operation, picnic, covered bridge

“Best Idea I had for my Market”: Installation of waterwheel powered ice cream mill & building of new production facility where we make our own premium ice cream.
